Did you know, great entertainment is your BEST insurance policy for the money you've spent? If you spend \$10,000 total for a 5 hour party and the guests leave 1 hour early, you lose \$2000. Did you know with a \$10,000 food and drink menu you'll spend a MINIMUM of \$1500 just for the gratuity and AT LEAST another \$625 for tax? \$2000+ for something that won't have any bearing on the success of your event, wouldn't you agree great entertainment IS WORTH more than tax and gratuity? Great entertainment can be had for less than tax and gratuity!!!

Did you also know, surveys have shown, the entertainment shares over 80% of the responsibility to the success of your wedding reception? The bottom line is: you are working hard on planning a GREAT wedding and we can help. We want to help you and your guests have as much fun as possible, can we help you?

Testimonials

"Thanks for doing such a great job. Everybody had fun and you had a key part in that. I've heard nothing but compliments about the job you did."

Robin and Graham

"They are professional, reliable and go above & beyond. They took care of so much more than just playing music. Jamie was practically an event coordinator. Allen charmed the guests including some who were rather difficult. I had decided ahead of time that I wasn't going to do a lot of dancing. But, they just continued to play such great songs that we spent a lot of time on the dance floor! We all had the time of our lives! They were by far the best vendor I have ever hired"

Stephanie and Tim

I could not asked for a better D.J. Thank you for all your patience and time with planning this event with me. All the song choices were perfect. If you need me to do any recommendations for you please let me know. I will truly be happy to talk to anyone interested is using you. Thanks again for doing a wonderful job! Thanks"

"Dear Allen, Just wanted to thank you so much for making our wedding day a day we will never forget! You made us feel so comfortable and confident that our day was going to be great right from the start – and you understood us so very well. You both were just awesome. We both had so much fun at the wedding and so much of that is because you were such a great entertainer. Everything was perfect and I can't tell you how happy we are about the choice we made in a DJ!"

Matt and Erica

"Dear Allen, we can't thank you enough for your great work as the DJ at our Daughter's wedding reception. Everything was better than perfect-it was real, full of life and togetherness and joy. Your friendly and knowledgeable demeanor set us all at ease, and your experience and expertise kept things whirling right up to the last tune of the night. We feel blessed by the fellowship and good feelings that were part of Meg's wedding. A lot of credit for that goes to your work and your presence. Many thanks."
